CONTEMPORARY, INCOMPARABLE & UNIQUE

Founded in 2019, WTBCompany Hotel&Restaurant Furniture is an Istanbul-based project and planning firm with a team of almost 25 years of work experience. The concept, as well as the selection of materials, workmanship and manufacturing, are all guided by the desire to experiment without overstepping the boundary into excess, supported by constant attention to quality and ergonomics. WTBCompany believes that design products should not only be technically excellent, but also respond to real consumer needs, as well as offering aesthetics to stir the emotions.

PRODUCTION

A great capacity of creation and attention to detail inherited from a long tradition make WTBCompany symbol of Turkish production. Extraordinary objects, which take shape from the principles of beauty and functionality. The WTBCompany products are aimed for any size of settings as well as for the contract projects since each single unit of this collection has been studied with the specific intention to give personality, elegance and uniqueness.

OUR SERVICES

We produce furniture that your business needs. We create areas where your entire team can work efficiently. We strive to optimize your work, hospitality and reception areas with our wide range of products.

We provide decoration services for executive personalities and make special furniture designs for organizations (boutiques).

We undertake the furniture projects of large scale enterprises, organizations or public institutions and we carry out large turn-key projects such as Hotel, Bank, Hospital, Villa or Factory.

OUR TEAM

Our company, having a professional staff in which developing technologies are followed, is inspired by our young and dynamic staff. This is something we constantly improve. We are proud of using customer satisfaction and quality-oriented craftsmen with the best teams.

FOR A SUCCESSFUL BRAND

Knowledge and professionalism, first of all, is very important for a successful brand. As we built our professionalism tower, we knew we had to be able to withstand time. In addition to producing products that we can be proud of, we are determined to continue to be the market leader.

Quality Approach

To keep our quality at its highest and to be a recommendable producer we are trying to set training workshops regularly, we have experienced hands though. We know that in heart, it will bring satisfaction to our customers knowing that their projects are in professional hands. We truly believe that there is no end to the path of being better than yesterday even if it's a small step. We have no projects which are identical and this shows how we believe in making our customers feel unique, each in their own way. It has never been easy but we never give up on our dreams. As one of the most flexible manufacturers of Europe, we can make your dreams come true. Whatever our creative customers imagine, we make it out of logs and this, we are proud of the most.

Our Values

- Unconditional (unlimited) Customer Satisfaction
- Sustainable Success
- Development of Our Employees
- Innovative Concept Designs
- Supplier (Solution Partner) Cooperation

Our Vision

To turn limited resources into unlimited customer satisfaction by producing our products designed in accordance with the demands of our customers with the principles of quality and efficiency.

Our Mission

To be one of the best manufacturers in the world, which is reliable, with high quality and recommendable in its sector.
